ICV 3.0

certified

Over the last 20 years, we've built a reputation as a local EPC leader in the region's power and water sectors.

Our expertise is focused on three main pillars:

Power

Water

Sewerage

■ **Our main activities are EPC works in:**

- Power Transmission & Distribution Networks
- Water Transmission & Distribution Networks
- Sewerage Networks & Rehabilitation

- We recognize Health and Safety, Quality and Environment as integral part of our business performance and our culture. We are ISO certified and a member of the British Safety council.
